

Financial Aid Info

HOW IT WORKS

1. **Reserve your spot**– Sign up early to secure guaranteed housing with Hudson Dorms!
2. **Let us know you're using aid**– Reach out to your school's Office of Financial Aid and let them know you plan to live off campus with Hudson Dorms. Ask them to update your Cost of Attendance to reflect this. In July, we'll ask for verification—this can be a screenshot of your award letter or financial aid breakdown.
3. **Pay after aid is disbursed**– Once your aid is distributed (typically after the add/drop period in September), your school will send the funds directly to you by Direct Deposit or Check. You can then use those funds to cover your housing. The same process happens again in October for spring semester aid.
